

“BEHIND THE GRE SCORES” TALK SESSION

Date: 01/04/2024

Host: IET On Campus CET

Platform: Google Meet

Number Of Participants: 35

Speaker: Amin Fathima Sadique

Objective: To provide participants with insights into the GRE examination and its significance in the context of higher education, coupled with personal experiences and strategies from the topper.

Session Format: The session commenced with a presentation by Amin Fathima Sadique, followed by an interactive Q&A segment where participants could engage directly with the speaker.

Summary: The Talk Session titled "Behind the GRE Scores," conducted by Women in Tech, IET On Campus CET via Google Meet, aimed to demystify the GRE examination and offer valuable guidance to prospective graduate students. Amin Fathima Sadique, the esteemed IET alumna who achieved a score of 325/340 in the GRE led the session, sharing her expertise and insights with the participants.

Key Points Covered:

- Introduction to the GRE
- Importance of GRE Scores
- Personal experience sharing
- Preparation Strategies
- Scholarship opportunities
- Addressing participant Queries

Conclusion: The Talk Session "Behind the GRE Scores" facilitated a deeper understanding of the GRE examination and its significance in the graduate admission process. Participants gained valuable insights into the various aspects of GRE preparation and the holistic approach to the admissions process. The interactive nature of the session enabled meaningful engagement between the speaker and participants, enriching the learning experience
