The WIT wing of IET on-campus CET organized a talk session “EDUCATION BEYOND BORDERS” about pursuing higher studies abroad. The event was held in online mode on February 7th 2023. The session lasted for about 1 and half hours. We received a total of 92 registrations from various colleges and 52 students participated for the event. It was an informative and highly interactive session. The speaker covered all relevant information about the opportunities and hurdles of pursuing higher studies abroad and gave a clear insight about the admission and application procedures covering GRE, TOFEL, IELTS,SOP, LOR etc. All questions and queries of participants were answered. We received really good feedback from the participant. All the resources shared by the speaker and the recorded video of the session was mailed to the participants
